A total of 3.366,000 eastmarks was allotted by the Shipbuilding Main Section of the Ministry for the Construction of Transport and Agricultural Machines to the VEB Shippard in Fuerotenberg as new investment funds in 1953. Included were 2.420,000 eastmarks for the construction of 20 steel cutters, subdivided into 464,000 eastmarks for the first quarter of 1953, 805,000 eastmarks for the second quarter of 1953, 935,000 eastmarks for the third quarter, and 166,000 eastmarks for the fourth quarter of 1953. A total of 851,000 eastmarks was for repairs to water craft, subdivided into 75,000 eastmarks for the first quarter of 1953, 97,000 eastmarks for the second quarter, nil for the third quarter, and 679,000 eastmarks for the fourth quarter of 1953. All the sums indicated were estimated values. The differences between the annual investment total and the individual sums resulted from the fact that minor additional work, such as woodwork, had been included in the financial plan prepared by the shippards, but was included only in the total sum established by the
